## **REQUEST FOR PROPOSAL**

**RE: THE SELECTION OF AN INVESTMENT CONSULTANT**

### **I. OVERVIEW**

The Retirement Commission Board of Trustees (Board) of the Wayne County Employees' Retirement System is in the process of reviewing its investment consultant services. The purpose of this Request for Proposal (RFP) is to define the Board's minimum requirements, to solicit proposals, and to gain adequate information from which the Board may evaluate such services. The Board is seeking an investment consultant for the defined benefit side only. The defined compensation side is managed separately and is not a part of this proposal.

The Retirement Commission is the Trustee of the assets of the retirement system and acts as in the full capacity as Chief Investment Officer. Retirement staff acts on the direction of the Retirement Commission and supports the Commission by providing the information it receives from third parties to the Commission in a timely manner. The Retirement Commission has the authority to invest and reinvest the assets of the Retirement System subject to all terms, conditions, limitations and restrictions imposed by the state on the investments of public employee retirement systems. The Retirement Commission may employ investment counsel to advise the board in the making and disposition of investments, in exercising the care, skill, prudence, and diligence, under the circumstances then prevailing, that an individual of prudence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and similar objectives.

The Wayne County Employees' Retirement System has a total market value of approximately (\$750) million Dollars and is a qualified plan under IRS regulations.

The Retirement System's portfolio consists of 44% domestic equity, 13% global equity, 16% fixed income, 9% real estate, 17% alternatives, and is managed by approximately 30 investment management entities. All current investment allocations are a snapshot as of the date of issuance of this RFP and are subject to change.

#### **A. INVESTMENT CONSULTANT ROLE**

The Investment Consultant will actively work and communicate with the investment review committee; they will also be present at quarterly board meetings where current money managers will give presentations, based on the Board's schedule, at minimum annually. The Investment Consultant will work in conjunction with the investment review committee members to identify possible new investments using the investment review committee policy. The Investment Consultant shall report to the Board through the Executive Director.

## B. SCOPE OF SERVICES

Please confirm your ability to offer the 10 Scope of Services items listed below. Contractual services for investment consulting will include, but not be limited, to the following:

1. **General Investment Advice**

The primary role of the Board's Investment Consultant is to provide objective, third-party advice and counsel that will enable the Board to make well-informed and well-educated decisions regarding the investment of the Retirement System's assets. The Investment Consultant shall report to the board through the Executive Director. **The Consultant shall acknowledge its responsibilities as a fiduciary under the Public Employee Retirement system Investment Act, MCL 38.132 et seq, as amended in Public Act 314.** The Investment Consultant must be a registered investment advisor under the Investment Advisors Act of 1940.

2. **Development of Investment Policy, Objectives and Guidelines for the defined benefit portfolio**

Assist the Board in the monitoring and periodic review of a policy statement that properly reflects the Board's tolerance for risk and that best helps the Board meet its rate-of-return, funded status and administrative expense objectives.

3. **Asset Allocation Studies**

Review, monitor and advise on current asset allocation to determine whether the current asset allocation falls within the Board's investment objectives and guidelines.

4. **Investment Manager Search**

Assist the Board in its due diligence and search for new investment manager(s) utilizing the appropriate data base.

5. **Development of Investment Manager Performance Standards/Guidelines**

Assist the Board in the development and review of performance standards and guidelines with which the Board can measure each investment manager's progress. Attend monthly and quarterly meetings as requested by the Board, an annual meeting schedule is provided by retirement staff at the beginning of each calendar year but is subject to change if conflicts should arise.

6. **General Consulting Services**

Provide general consulting services as requested by the Board. These might include custodial search and selection, etc.

7. **Performance Measurement & Monitoring**

Monitor the performance of the investment manager(s) to provide the Board with the ability to determine the manager's progress toward achieving the Board's investment objectives.

8. **Monitor compliance with Act 314**

Monitor the investment of the Retirement System's assets with regard to the asset limitations under Public Act 314 as amended, with written quarterly reports submitted to the Retirement Board.

9. **Assist in Fund Diversification**

Assist the Board in the development of an investment manager structure that provides adequate diversification with respect to the number and types of investment managers to be retained by the Board recommend rebalancing of investments as part of policy compliance.

10. **Existing Portfolio**

Monitor and review monthly statements, quarterly and annual financial statements, review and advise on all updates to form ADV, review and advise on presentations to the board, review legal and financial due diligence, conduct annual money manager reviews, maintain a watch list of performance management, determine capacity to add new investments, review 10-k's/ limited partner relationships, participate in cash flow/liquidity forecasting for Retirement System needs and advise on general compliance requirements.

If you are unable to meet any of the above criteria please respond with how you would handle these types of requests from the Board. Include pricing for items if possible. **Failure to respond to the 10 scope of service items above will be considered nonresponsive and the firm submitting the RFP may be disqualified.**

16. Include License and Insurance information

**B. INVESTMENT POLICY/ASSET ALLOCATION GUIDELINES**

1. Provide an outline of the principal steps you would follow when developing a statement of Investment Policy and Objectives. Does your investment policy and asset allocation analysis fully integrate liabilities with assets? How do you interface with the retirement system's actuary?
2. How many meetings would be required with the Retirement Board? Who would attend from your firm? What would be the frequency of meeting attendance you would recommend?
3. Provide an outline of the issues and items that would be covered in a typical investment policy statement.
4. What is your approach to development of asset allocation guidelines? Please describe this process in detail, including application of major variables (e.g., risk tolerance, emerging liabilities, etc.).
5. What asset classes are included in your work?

6. What geographic areas of the world do you consider appropriate for pension asset investments?
7. Does your approach include passive strategies such as indexation? If so, please describe.
8. Explain how you would handle reviews of new and existing nontraditional assets (basket clause items) including limited partnerships.

**C. INVESTMENT MANAGER SELECTION/OVERSIGHT**

1. What are the procedure and criteria you will follow in the selection of additional investment advisors? How long might the process take from start to finish?
2. How many firms do you track for manager search purposes? How many managers have made final presentations from the total search data base in the past 24 months?
3. Do the consultants who would be assigned to our account actually interface with prospective managers? How much time do they spend in an average week interviewing managers? How many managers a week do our assigned consultants see? Is due diligence performed for all managers' offices? If so, please explain your due diligence process. How are consultants apprised with respect to developments about managers?
4. What tools and decision making process(es) do you utilize to screen investment managers?
5. How do you monitor your success in selecting managers? Explain how you measure the level of success of existing managers. Please be specific.
6. What criteria are used to recommend termination of a manager? Do you have a watch list for managers you deem to be unsuccessful? How long are they on the watch list before termination?
7. Please explain how the Board should evaluate and define the success of your Consulting services. Do you believe that when a manager is not performing that the consultant who presented this manager also be held accountable? If so, how?
8. Do you have any arrangements with broker-dealers under which you or a related company will benefit if money managers place trades for their clients with such broker-dealers?

**D. PERFORMANCE EVALUATION**

1. Specifically describe your performance evaluation system and the philosophy behind it. Is your system propriety or did you obtain it from another supplier?
2. How soon following the end of a reporting period can you have copies of evaluation reports to us? How frequently do you recommend performance evaluation reviews?
3. Provide a sample of the reports you would submit to the Board. How much variation is available from your standard report? What other reports do you offer? Please provide samples.
4. Describe and illustrate any special indices which your firm constructed.
5. Please describe, in detail, the optimal role that your firm would like to take in manager presentations to the Retirement Board. What other services are provided, such as custodian or other related search?

**E. FEES**
